The Lansing Rod & Gun Club is a membership corporation with *all* members required to participate equally to insure the success of its operation. Meetings are held at 6:30 on the third Wednesday of every month. Activities available to members include: trap shooting, (16 yards, handicap to 27 yards, and doubles), rifle and pistol ranges, archery range, and horseshoes. Revenues necessary to cover the operating expenses, and any incurred debts of the Club are generated by catering clambakes and barbeques, and by open, registered, and league trap shooting.

Dues are \$25.00 annually. Prospective members are invited to attend a mandatory meeting to be introduced to the Club. Their application will then be discussed by the members, and a vote will occur within 30-90 days. New member's dues are paid at the first meeting after member vote of acceptance, and written notification of such. Yearly dues are to be paid at the meeting in January. There is a 3 month grace period (March meeting), after which if the dues for that year are not paid, the member forfeits their membership and must re-apply.

Members are *required* to participate in at least 2 major Club functions per year. These functions include facility work parties, prep work for clambakes, turkey shoots, breakfasts, assisting in trap events, kitchen help, maintenance, holding office, etc.
